PRIMARY SCHOOLS IN ENGLAND

In England schools have got names, not numbers. For example, schools have got names like Graveney School or Gedar Grove School.

Primary schools teach children from 5 to 11 years old. The school year begins in September. Classes usually begin at nine. Pupils have got a glass of milk or a glass of orange juice at eleven. At half past eleven or at one o'clock they usually have got lunch: meat, pudding or a cake and juice.

Pupils often sit on the carpet on the floor and listen to the teacher. Usually they have some pets in class: hamsters, rabbits, birds or fish. Teachers like to read or tell interesting stories. English pupils often play outdoors during breaks.

SHOPPING
A bear and a bunny
Have much money.
They go to the shop
For carrots and honey.
When the bear and the bunny
Ask for some carrots and honey,
The man in the shop
Says, “Where is your money?”
How strange¹ and funny!
They really have money —
And that's how they buy
Their carrots and honey.

When people destroy the forest they also destroy many plants and animal homes.
